

IMSS18-9 Associate or Assistant Professor

Job No.	IMSS18-9
Title	Associate or Assistant Professor
Number of Job Opening	1 person
Inst/Lab	Muon Science Division
Term	The term is for five years.
Start of the term	As early as possible after April 1, 2019
Appl. Deadline	Application due date (to reach KEK) is 17:00 on Friday February 8, 2019 (Japan Time).

Job Description

The Institute of Materials Structure Science (IMSS), which is affiliated to KEK acting as an Inter-University Research Institute Corporation to promote interdisciplinary and complimentary use of four types of quantum beams, synchrotron radiation (SR), neutron, muon and positron, in materials and life sciences research, is seeking an outstanding young scientists for the Muon Science Laboratory (KEK-MSL). The successful candidate will be actively involved in one of the following scientific programs in collaboration with KEK-MSL staff, at the KEK TOKAI-branch.

- 1) Development of muon production target and primary proton beamline elements
 - 2) Advanced μ SR study on condensed matter science (including magnetism, superconductivity, hydrogen-related solid state physics, etc.)
 - 3) Atomic physics and related sciences using negative muons (muonic atom, muonic X-ray spectroscopy, etc)
 - 4) Development of high intense muon beams and related techniques at J-PARC MUSE
- He/she would not necessarily have experience on muon science, but should prove one's expertise and ability in his/her primary field of interest and willingness to undertake the challenge of the muon science.

Qualification

Applicant must have a Ph. D. degree at the time of application, or is certain to receive Ph. D. prior to starting the job at KEK.

Method of Selection

Applicants on the short list is requested to come to KEK for an interview. A video-conference may be considered for the interview of oversea applicants. The date of the interview: TBA.

(The details of interview will be informed later to the applicants who passed our documentary screening.)

Salary

Salary and various allowances are determined according to the KEK rules. (Annual salary system)

Please submit (A4 size paper (29.5cm x 21cm or similar size))

- 1) Curriculum vitae ([Designated form of KEK](#))
 - * Please be sure to write the job number IMSS18-9, and the possible date you would be able to start the job at the Institute of Materials Structure Science. Please write your birth date as well.)
 - * If you apply for more than one job openings in KEK, please indicate all the job numbers you apply for and your priorities in your CV.
- 2) Research experience
- 3) Publication list
- 4) Research plan at Institute of Materials Structure Science in KEK
- 5) Reprints of major publication (up to 3)
- 6) Other reference materials (list of invited talks, awards, track record of obtaining research grants etc.)
- 7) Recommendation or reference letter(s)
(Recommendation or reference letter(s) must be addressed to Dr. Nobuhiro Kosugi, Director of IMSS attention to Personnel Affairs Unit 1 of KEK.)

Notes

- 1) Application documents
 - * Please submit application documents by using our Web system.
 - * Since we will issue your own password, please send an e-mail to jinji1@ml.post.kek.jp .
(Please write "IMSS18-9" in the email subject and write your name, current position and phone number in the body of the email.)
 - * We accept only PDF files.
 - * If you cannot use our web system, please contact us by e-mail.
 - * We cannot accept submissions by e-mail attached with application documents.
- 2) Recommendation or reference letter(s)
 - * We accept PDF file of recommendation or reference letter(s) to jinji1@ml.post.kek.jp by email.
(Please write "Recommendation for IMSS18-9" to the email subject.)
 - * We accept paper of recommendation or reference letter(s) by post mail as well.
Post mail to: Personnel Affairs Unit 1, KEK
1-1 Oho, Tsukuba, Ibaraki 305-0801, Japan

(Attention) We may not be able to receive your mail from free e-mail account.

If there is no reply within a few days, please try a different email address or apply by post mail.

For more information: please contact

Prof. Yasuhiro Miyake, Head of Muon Science Division, Institute of Materials Structure Science.
