Inst/Lab	Applied Research Laboratory / Computing Research Center
Term	No term Limit until 63
Start of the term	As early as possible after acceptance is notified
Appl. Deadline	Application due date (to reach KEK) is before noon on Monday November 25, 2019 (JST).

Job Description

The Applied Research Laboratory (ARL) seeks applicants for an Associate Professor position to work in the field of information communication technology (ICT) and computing science related to accelerator science.

The successful candidate will belong to Computing Research Center, and is expected to take a major role in designing, operating and improving the systems of the Center. It also includes designing systems for the KEK future projects. The candidate is also expected to engage in R&D work on computer-network systems and in research work on computing science related to accelerator science which is promoted by the KEK.

Qualification

Person with the ability to research and educate.

Method of Selection

After reviewing the application, candidates will be required to go through an interview.

The date of the interview will be indicated on the web when it is fixed.

(We will inform of the interview day at a late day only to the applicants who passed our documentary screening.)

Salary

Salary and various allowances are determined according to the KEK rules. (Annual or Monthly salary system)

Note; After the introduction of new annual salary system, the salary will be applied to a new annual salary system
