Job No.	ARL20-1
Title	Assistant Professor
Number of Job Opening	1 Person
Inst/Lab	Applied Research Laboratory / Radiation Science Center
Term	No term Limit until 63
Start of the term	As early as possible after acceptance is notified
Appl. Deadline	Application due date (to reach KEK) is before noon on Friday July 31, 2020 (JST).

Job Description

The Applied Research Laboratory (ARL) seeks applicants for an Assistant Professor position to work in the field of radiation protection for accelerator facilities.

The successful candidate will belong to the Radiation Science Center and is expected to play a role in researches concerning radiation protection related to accelerators as a professional in the field of radiation shielding including radiation transport simulation. She/He is also expected to take part in the radiation safety control in the KEK Tsukuba site as a regional radiation safety officer of the radiation control area. The applicant without the Japanese first class certification as a supervisor of radiation protection is requested to obtain the qualification in the earliest chance.

Qualification

Person with the ability to research and educate.

Method of Selection

After reviewing the application, candidates will be required to go through an interview.

The date of the interview will be indicated on the web when it is fixed.

(We will inform of the interview day at a late day only to the applicants who passed our documentary screening.)

Salary

Salary and various allowances are determined according to the KEK rules. (Annual salary system)
