

Job opening: Researcher for Theoretical Particle Physics

Title	Researcher Position (supported by JSPS external grant)
Number of Job Opening	One person
Inst/Group	Theory Center, Institute of Particle and Nuclear Studies
Term	3 years (renewed every year after evaluation)
Start of the term	Successful candidate is expected to assume the position as soon as possible after September 1, 2018.
Appl. Deadline	Open until filled. Processing of application will begin on July 30, 2018

Job Description

The position is funded by the JSPS grant (PI: Satoshi Iso), and the successful candidate is expected to contribute to the advancement of the project “Probing Planck scale physics from Higgs and the early universe based on the principle of mass hierarchy”. The expertise of the candidate is either string theory, particle physics, or cosmology.

Qualification

Applicant must have a Ph. D. obtained at the time of application, or is sure to get Ph. D. prior to starting the job at KEK.

Method of Selection

Generally, selection is made based on the documents submitted. After July 30, 2018, the selection process will be started based on received applications, and will be closed once a successful candidate has been selected.

Salary

About 280,000 -330,000 JPY/month, May vary according to the experiences etc..
