

To Visitors Coming to the KEK Tsukuba Campus from Overseas

1. Applicable people of this guide

This guide is for people who come to Japan from countries other than the countries that are subjected to an entry ban (see ※).

Please be advised that the information in 2 and 3 below are subject to changes/revisions in accordance with changes to the Japanese government's policies.

※Countries and areas subject to refusal of entry (as of May 27, 2020)

Arrivals from the countries and areas, which are subject to refusal of entry are not allowed to enter into Japan until the relevant restrictions are lifted.

https://www.mofa.go.jp/ca/fna/page4e_001053.html

2. Quarantine measures after entering Japan based on the policies of Japanese government

- Regardless of your health condition, please complete the 14-day waiting period (self-isolation) from the day after your arrival in Japan at a lodging (or a location) designated by the quarantine station chief. Please refer to 4 and 5 below for available lodging.
- Please do not use public transportation as a means of transportation from the airport to the designated location. Please refer to 4 and 5 below for available means of transportation.
- For the reasons mentioned above, please secure, before entering Japan, lodging for quarantine and a means of transportation (excluding public transportation) from the airport to the quarantine lodging.
- When entering Japan, please register the quarantine station where you will stay after entering Japan and the means of transportation from the airport to your quarantine lodging.
- Please refer to 4 and 5 below for information on available lodging (places to stay) and the means of transportation.

3. Entry to the KEK Tsukuba Campus

You can enter KEK Tsukuba Campus from the 15th full day after entering Japan (the day of your arrival is not counted).

4. Waiting/self-quarantine procedure upon entrance into Japan

For researchers coming to Japan from overseas, prior to your arrival in Japan, please

communicate with your KEK contact person and secure both the lodging and the means of transportation to the location where you will be staying for the first 14 days and also to KEK Tsukuba Campus from that location.

(1) If you wish to stay at a hotel near Narita or Haneda Airports:

** Close to your destination, public transportation is available after the waiting period (14 days), accommodation rate are relatively low*

Prior to coming to Japan, make reservations for your hotel for 14 days and a private chauffeur*

*Hired car with a driver. Called “hire” (ハイヤー) in Japanese.

-
- At the airport quarantine station, register the lodging during the 14 days of self-isolation and the means of transportation from the airport to the location of your lodging.
- Travel by reserved chauffeur to the hotel.
- Stay at the hotel for 14 days after arrival.
- Travel to the KEK Tsukuba Campus using public transportation.

(2) If you wish to stay at a hotel in Tsukuba:

** Accommodation rate is relatively high*

- Prior to coming to Japan, make reservations for your hotel for 14 days and a private chauffeur or rental car.
- At the airport quarantine station, register the lodging during the 14 days of self-isolation and the means of transportation from the airport to the hotel.
- Travel to the hotel from the airport by use of a chauffeur or rental car.
- Stay at the hotel for 14 days.
- Travel to the KEK Tsukuba Campus using public transportation.

(3) If you wish to stay at a weekly rental apartment in Tsukuba:

** The rent is relatively low (limited availability of the number of apartments)*

- Prior to coming to Japan, make reservations for a weekly rental apartment to stay for 14 days and a private chauffeur or rental car.
- At the airport quarantine station, register the lodging during the 14 days of self-isolation and the means of transportation from the airport to the quarantine lodging.
- Travel to the weekly rental apartment from the airport by use of a chauffeur or rental car.
- Stay at the weekly rental apartment for 14 days.
- Travel to the KEK Tsukuba Campus using public transportation.

※ If there is any difficulty with completing the 14-day self-isolation with the above procedure, please consult the KEK Users Office (Tsukuba).
