### Job Description

The successful candidate will belong to Theory Center at Institute of Particle and Nuclear Studies, and will work on theoretical studies in particle and nuclear physics or closely related fields such as astrophysics or quantum information, in cooperation with experimental groups in IPNS.

### Qualification

Candidates must have sufficient research and educational skills.

The applicants to this position are required to apply for the Leading Initiative for Excellent Young Researchers (LEADER) program by the Ministry of Education, Culture, Sports, Science and Technology (MEXT). For the LEADER, see <https://www.jsps.go.jp/english/e-le/index.html>.

### Method of Selection

After reviewing the submitted application documents (see below), applicants may be called for an interview.

Details of the interview will be informed to the candidates. The interview is scheduled in July, 2021

### Salary

Salary and various allowances are determined according to the KEK rules. (Annual salary system)

### Application documents (Use A4 size papers (295mm x 210mm or similar size))
