Job Opening: Researcher for Theoretical Particle, KEK

Title
Researcher Position

Number of Job Opening
1 person

Inst/Group
Theory Center, Institute of Particle and Nuclear Studies (IPNS)

Term
Two years with the contract renewed every year

Start of the term
October 1, 2022 (the starting date is negotiable)

Appl. Deadline
December 10, 2021, Japan time

Job Description
The position is dedicated to the study of particle phenomenology and cosmology under the KAKENHI project on “Generation of quarks and leptons explored by light new particles.” We seek an individual who will conduct research in collaboration with Motoi Endo (KEK), Ryuichiro Kitano (KEK), Takemichi Okui (Florida State University, KEK) and Kohsaku Tobioka (Florida State University, KEK). The successful candidate is expected to stay in Florida State University for at least two months during the employment period.

Qualification
Applicant must have a Ph.D. obtained at the time of application, or is sure to get Ph.D. prior to starting the job at KEK.

Method of Selection
Selection is made based on the submitted documents and interview (if necessary).

Salary
Expected salary range is between 300,000 and 330,000 JPY per month. Salary and various allowances are determined according to the KEK rules. (Annual salary system)

Working Hours
In principal, discretionary work system for professional work is applied and working hours will be deemed as 7 hours and 45 minutes per day.
Please submit (in English)
1) Curriculum vitae (possible start date should be written)
2) Research statement
3) List of publications
4) At least three letters of recommendation

Applications should be submitted through Academic Jobs Online:
https://academicjobsonline.org/ajo/jobs/20180
