1. Position Type
   One Researcher Position
   (Up to 2 years and a half with the contract renewed every year)

2. Job Description
   The position is dedicated to the study of theoretical cosmology. We seek an individual who conducts his/her research on cosmology at KEK theory center. This position is financially supported by grants-in-Aid for Scientific Research Program, Grant-in-Aid for Scientific Research (B) entitled “Applications of a new method to compute the primordial gravitational waves.”

3. Location
   KEK-Theory Center, Institute of Particle and Nuclear Studies
   Tsukuba, Ibaraki 3050801, Japan

4. Qualification
   Applicant must have a Ph.D. obtained at the time of application or is sure to get Ph.D. prior to starting the job at KEK.

5. Start of the term
   September 1, 2023, onwards (the starting date is negotiable).

6. Working conditions
   - Expected salary is approximately 330,000 JPY per month.
     Salary and various allowances are determined according to the KEK regulation. (Annual Salary System)
   - In principle, discretionary work system for professional work is applied and working hours will be deemed as 7 hours and 45 minutes per day.

7. Application deadline
   May 19th, 2023, Japan time (The deadline may be extended until the position is filled.)

8. Method of Selection
   The selection will be made based on the submitted documents. If necessary, we will have an interview.
9. Application documents

1) Curriculum vitae (Possible starting date of the employment should be written)
2) Research statement
3) List of publications
4) At least two letters of recommendation

10. Method of application

Please submit your documents electronically via Academic Jobs Online:
https://academicjobsonline.org/ajo/jobs/24596

11. Inquiries

If you have any inquires, please contact to Yuko Urakawa  e-mail : yukour@post.kek.jp

12. Others

1) KEK is promoting gender equality. In accordance with the intent of “Basic Act for Gender Equal Society”, when the finalists for a position comprise both a male and a female whose qualifications and merit, including experience, education, research achievements and social contributions, have been deemed equal, our preference will be given to the female candidate.

2) You can also work at home for the sake of improving work-life balance or to cope with an exceptional working environment.

13. Private Information

Private information obtained from application documents will not be used or provided to any third party for purposes other than the necessary procedures related to personnel affairs, salary, and welfare. Please note that documents submitted for the recruitment process will not be returned to the applicant.
