Title	Professor
Number of Job Opening	1 Person
Inst/Lab	Applied Research Laboratory / Computing Research Center
Term	No term Limit until 63
Start of the term	April 1 st , 2024, or the earliest possible date thereafter
Appl. Deadline	Application due date (to reach KEK) is before noon on Tuesday, July 25, 2023 (JST).

Job Description

The Applied Research Laboratory (ARL) seeks applicants for a Professor position to work in the field of information security and accelerator-related computing science. The successful candidate will belong to the Computer Research Center (CRC) and will be Head of Information Security Officers who presides over information security of KEK in cooperation with the administration Bureau. The successful candidate is expected to take a leading role in operating and improving the ICT security infrastructure and in management of the Computer Security Incident Response Team of KEK. The candidate is also expected to engage in the advanced R&D in the information technology to support the accelerator-related science promoted by KEK. The workplace is the KEK Tsukuba campus.

Qualification

Person with the ability to manage information security of KEK, research, and educate. Communication ability in Japanese and English for the duties is required as well.

Method of Selection

After reviewing the application, candidates will be required to go through an interview. The date of the interview will be indicated on the web when it is fixed.

(We will inform of the interview day at a late day only to the applicants who passed our documentary screening.)

Salary

Salary and various allowances are determined according to the KEK rules. (Annual salary system)

Working Hours

Discretionary work system for professional work is applied and working hours will be deemed as 7 hours and 45 minutes per day.
