Job Description

The Institute of Particle and Nuclear Studies (IPNS) is inviting applications for a non-tenured associate professor position. The successful candidate will engage in research related to the J-PARC muon g-2/EDM experiment under the KAKENHI project "ultra-precision measurement of the muon anomalous magnetic moment and electric dipole moment: new developments". The candidate will belong to the muon and neutron Group and plays a central role in the muon g-2/EDM experiment and leads the development of key instrumentation and improvement of measurement precision. The workplace is the Tokai campus. (In principle, there will be no changes to job description or work location.)

Qualification

Person with the ability to research and education.

Method of Selections

After reviewing the submitted application documents (see below), applicants may be called for an interview.

The date of the interview will be announced through the web when it is determined, and will also be separately communicated to the applicants who will be interviewed.

Salary

Salary and various allowances are determined according to the KEK rules. (Annual salary system)

Working Hours

In principle discretionary work system for professional work is applied and working hours will be deemed as 7 hours and 45 minutes per day.

Application documents (Use A4 size papers (297mm x 210mm or similar size))

1) Curriculum vitae (Use the [designated form of KEK](#))

* If an alternative format is used, CV should include the job number IPNS26-1, e-mail address, date of birth, and the possible starting date, in addition to standard information of CV.

* If you apply for more than one job openings in KEK, please indicate all the job numbers you apply for and your priorities in your CV.

2) Research experience

3) Publications list

(Indicate up to 5 important papers in the publication list. Provide Web pointers (URL, DOI etc.) for the important papers. Attach reprints when Web pointers are not available.)

4) Research plan at IPNS in KEK

5) Recommendation or reference letter(s)

(The letter(s) must be addressed to Dr. SAITO Naohito, Director, IPNS)

How to submit

1) Application documents (CV, Research experience, Publication list and Research plan)

* Please access our application system from the following URL, fill out the "Application Form" and upload the file.

- URL for the application:

<https://kek Kobokanri.powerappsportals.com/en-US/oubo/?id=14fb5130-7360-f111-a826-7c1e52236349>

** Please combine all application documents to a single PDF (up to 35MB) and name the file "Job No._applicant's name.pdf" when uploading.

*** We cannot accept submissions by e-mail attached with application documents.

**** KEK will send emails from the address <jinji-kobokanri@a.kek.jp > to the address provided your application. Please check the email settings and make sure to receive them.

2) Recommendation or reference letter(s)
